

The Desert Ball Desert Foundation Auxiliary

The Desert Ball, a celebration of Arizona families and society, was held at the Phoenician Resort. The room was beautifully decorated by White House in all shades of purple and violet. Twenty-five Valley debutantes were presented by their fathers to over 650 guests in attendance.

This year the proceeds from the ball will go to Cortney's Foundation, Circle the City and Phoenix Day. The Desert Ball was chaired by Dr. Ingrid Haas and co-chaired by Betsy Owen. The president of the Desert Foundation Auxiliary is Andrea Smith.
